Profile

Hello, I am ANDRONICKI EXARCHOU

I am 18 years old and I am a student in college. I often attend seminars about my subject and more. I have been working for the last 6 months in a multinational company. I am a really social person and I am willing to work hard. From the seminars I have attended, I have gained important knowledge. I have work experience, and I have learned to adapt in any working environment.
